About This Game

Breaking through the crowds of ardent mutants, you still could somehow get to a more or less safe place. You sat down to rest. After a while, you will move to find a way out. But here's the dilemma! Before you was a steep mountain, beyond which there was an exit, but in order to pass this obstacle, you will have to devour a lot of new monsters!

The plot of this game occurs during the second part, when you escaped from the crowds of monsters. After a while you could still come off, but before you became another question. You see the way out, but it is blocked by a bunch of terrible entities (in the form of dwarfs), which you need to get rid of the rest of the magic and get free!

- In the game you will find:
- several levels of different complexity
 - different monsters
